

BrushBuddies[®]

Make brushing fun!

EDUCATIONAL TALKING TIMER TOOTHBRUSH

NON-TOXIC CONSTRUCTION

Brush Buddies brushes are made of safe, lead-free ABS material, because your child's health is important to us!

EASY-GRIP CHARACTER

Brush Buddies are made with kids in mind. The fun character brush handles are designed to be easy to hold in small hands.

STAND-UP BRUSH*

The integrated suction cup base stands the brush upright, and makes the brush fun and easy to store between uses while other characters can be left flat on their body and the bristles will not touch the surface!

*Swingin' Sammy only

SOFT TYNEX® BRISTLES BY DUPONT™

Gentle on children's gums! We use the leading edge in monofilament bristle technology for child comfort and safety.

1 BUTTON + 2 MINUTES = A HEALTHY SMILE!

The brush plays a recording that teaches children how to brush their teeth, and lasts for the dentist-recommended two minutes of brushing time.

KID-FRIENDLY PAINT

We paint our Brush Buddies with only the best non-toxic paint. Completely lead-free, it will not flake off or fade with use.

MAKE BRUSHING FUN WITH POPPIN' ACTION!

POPPIN' ACTION

Remove the toothbrush cap (character's head), press the belly button, and the brush will pop up!

SOFT NYLON BRISTLES

Gentle on children's gums! We use only soft nylon bristles for child comfort and safety.

NON-TOXIC CONSTRUCTION

Brush Buddies Poppin' are made of safe, lead-free ABS material, because your child's health is important to us!

KID-FRIENDLY PAINT

We paint our Brush Buddies with only the best non-toxic paint. Completely lead-free, it will not flake off with use.

STAND-UP BRUSH

Each Brush Buddies Poppin' toothbrush can stand on its own two feet! The integrated stand-up base helps the bristles to drain after each use for better hygiene.
